2013-2014

A California Partnership Academy providing Lower Lake High School students opportunities to prepare for their future careers in

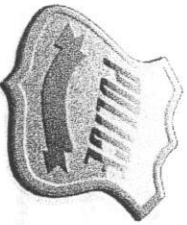

- Fire Science
- Law Enforcement
- Health Careers
- Careers with Children

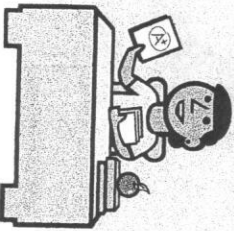

Program Overview

The **SERVE Academy of Health & Human Services** is a funded California Partnership Academy that has been in existence for 15 years. The Academy spans three grade levels—10th, 11th, and 12th. The **SERVE Academy** was established to meet the needs of students interested in our career areas—

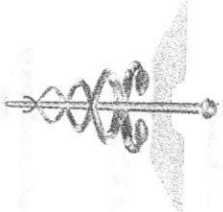

careers with children, health & medicine, fire science, and law enforcement. Students are enrolled in their regular academic core of classes with a team of teachers who integrate curriculum based on standards and themes. The students also have the opportunity to take technical classes and internships related to their career choice. The program features an incentive plan with award ceremonies, field trips, and social events.
